

THE 2015 HISTORICAL ROMANCE GIFT LIST

I can get lost in any book store at this time of year. In fact, I love to! My gift to you, however, is this list of my 2015 favorites. So, you can find the right gift for the book lovers on your list without spending all day wedged between the aisles reading each one.

Unless, of course, you just want to ... I'll see you there.

Merry Christmas!
